

Ref.	06877
Machine	MIG WELDING MACHINE
Brand	ESAB
Model	MIG C280
	Equipped with:
	<ul style="list-style-type: none">- Torch- Earth clamp welding- Pressure gauge

Main Technical Data

- Supply voltage 230/440-460 V, 3 ~ 50 Hz
- Regulating range 30 – 280 A
- Duty cycle to 30% 280 A
- Duty cycle to 60% 190 A
- Duty cycle to 100% 150 A
- Protection class IP 23
- Regulating positions
- Wire feed speed 1,9 – 20 m/min
- Weight 97 kg
- Dimensions 840 x 425 x 830 mm

(Characteristics based according to technical data)
