

Ref	06936
Machine	COLUMN SUBMERGED ARC WELDING
Brand	LINCOLN

Installation description:

- SUBMERGED ARC WELDING, brand Lincoln, model Idealarc R-35
-) Duty cycle to 60% 650 A
-) Duty cycle to 80% 600 A
-) Voltage 220/380/440 V
-) Lincoln wire feeder type LN-8
- Vertical travel 2.000 mm
- Horizontal travel 2.000 mm
- Equipped with turning rolls for welding.

(Characteristics based according to technical data)
