

	Ref	07023
	Machine	C-FRAME MECHANICAL PRESS
	Brand	AITOR
	Model	ARMM/EF 160 - 170
		Equipped with:
		-Side safety guards -Safty fences IV type -Seta de emergencia -Emergency stop push bottom -Two-hand control and footswitch

Main Technical Data

- Total force 160 Ton
- Strength point 5,3 mm
- Motor power 15 kW
- Hits per minute 50 hits/min
- Gooseneck 335 mm
- Shut heigth 390 mm
- Space between uprights 750 mm
- Adjustable course 5 / 170 mm
- Slide adjustment 120 mm
- Base dimensions 900 x 425 mm
- Tool-holder hole Ø 65 mm
- Fixed table size 1.300 x 740 mm
- Fixed table hole 475 x 355 mm
- Table plate size 1.300 x 720 mm
- Table plate thickness 100 mm
- Hieght from fixed table to floor 900 mm
- Machine total height 3.560 mm
- Approximate weight 13.000 kg

Other specifications:

- Pneumatic clutch-brake
- Rigid frame in laminated and welded steel
- Gears reduction in forjed and treated steel
- Automatic lubrication
- Low voltage electrical equipment.
